

The Town of Plymouth Planning, Zoning and Building Inspections Department is charged with interpreting and enforcing the adopted [Zoning Ordinance](#) and [Subdivision Ordinance](#). The Department is responsible for issuing zoning and sign permits, reviewing and evaluating site plans, subdivision plats, petitions for variances and special use, text amendments to the Zoning ordinance and updating the official Zoning map. The Department is also tasked with providing recommendations to the Town Planning Board and Town Council, regarding text amendments and re-zoning, as well as providing information to developers and citizens.

Applications can be accessed on the [Forms and Applications](#) page. For general zoning questions, please email Dennis Brown, Code Enforcement Officer (codeenforcement [at] visitplymouthnc.com) or call (252) 793-9101 Ext. 236.

Building Inspections for the Town of Plymouth are performed by the Washington County Building Inspector. The office is responsible for the enforcement of the North Carolina Building Codes as mandated by the General Statutes of North Carolina. Fees are charged depending upon the type of required permit(s). For permit information, contact [Allen Pittman](#), Planning and Inspections Director, or call (252) 793-4114.
